### LAW AND ORDER ELEMENT WINS CALLOWAY

#### EVENING SUN'S ELECTION BULLETINS WERE WATCHED BY THOUSANDS

What Paducah newspaper has the best news facilities and the most competent methods of acquiring and handling that news, so that the public may benefit by it, was demonstrated last night to thousands of people, who came down to Third street, where not only were the bulletins posted in advance of anywhere else; but the returns were plainly discernible to the eye. A special Western Union wire, The Sun's own state service, the active co-operation of both telephone companies and a busy staff of local newsmen and statisticians kept the people of Paducah informed of the returns as fast as they were gathered and put on the wire and flashed over the country. Before 8:30 o'clock The Sun was able to inform the people of Paducah that a Taft landslide was sweeping the country, and from the first, contrary to The Sun's own prediction, the returns from the country were wholly favorable to the Republican party candidate. In the local race The Sun flashed the intelligence as the returns came in from the precincts; before the candidates themselves knew the situation.

In the county and district Democratic primaries again The Sun demonstrated the superiority of its service and beat all rivals in the publicity business last night with the news. Either through poor telegraph service, or inability to handle the dispatches, or disinclination to give out the kind of news that was coming to Paducah, other bulletins in the city did not throw out results early, as did The Sun, and for that reason, as well as on account of the more general circulation of The Sun, the bulk of the crowds on the streets flocked to Third street to see the results. The Star theater management was kind enough to furnish two excellent slides of the winning candidates. The Sun must extend its thanks to Mr. Sam Quisenberry, of the W. U. T. Co., the managers of the two telephone companies, Mr. D. E. Wilson and Mr. Farrel, of the Star theater, for their courtesies and assistance in making the display of the news such a success.

### BONDS FAILED TO GET NECESSARY MAJORITY TO WIN

Yes	1322
No	1278

The school bond issue failed to carry. The vote on the question was heavier than was anticipated, and while the issue received a plurality it required two-thirds to carry.

There were an even 2,600 votes cast on the question. The result is not surprising to the student of such issues. There is no disputing the fact that it is, and will be, a hard thing to accomplish, to put through any character of bond issue in Paducah, with the people in their present state of mind; but, if it is conceded the school bonds would have carried by a good majority had the board asked for just half the amount, \$50,000. One hundred thousand is all the board can issue, at present, and there were a great number of people who opposed taking all the amount just now.

The board saw it too late to make a change. Coming into management of the schools with a deficit in the treasury of over \$20,000; with several of the schools in conditions that are a disgrace to any city, and with the board of health calling for their repair or closing; with street improvements entailing an expenditure of \$800 on one building, heating plants needed in some—sanitary improvements in others; with crowded conditions in the rooms, that are not permitted to obtain anywhere else but Paducah, they deemed the bond issue the only way out of their difficulties.

The mayor has promised to use his influence for temporary relief, and there is no doubt that the incoming council will provide for its immediate necessities, so there should not be any necessity for the closing of the schools, as is still current expression in some circles.

Poplar Majority. New York, Nov. 4.—Comparative figures show that Democrats cut down the popular vote in many places. Pennsylvania and Illinois were chopped in half. Minnesota, Indiana, Iowa and Kansas were greatly reduced. Taft made great gains in the south. The Democratic majority is greatly reduced, carrying greater New York, Taft's real triumph.

Maryland Doubtful. Baltimore, Nov. 4.—Latest returns indicate Taft's majority will be overcome and Bryan will carry the state by a small plurality. Present returns show the candidates within 100 votes of each other. The chances favor Bryan.

West Virginia Doubtful. Wheeling, W. Va., Nov. 4.—West Virginia is now in the doubtful column. Later returns cut down Taft's lead. A few hundred votes separates the candidates. Republicans refuse to concede the state.

Burgess escaped after the cutting, and left Peoples in a precarious condition. Burgess accused Peoples of throwing an egg at him. Kansas is near the county line between Me-

#### What Might Have Been.

Louisville, Nov. 4. (Special.)—The indications are that the Republicans have captured three of the congressional districts in Kentucky, and this is one of the consolations coming to the party on the election in the state. The national committee spent no money at all for the national ticket in Kentucky, but entered its fight on the congressional districts, which makes many wise heads assume that if the same effort had been directed toward the national ticket it would have won out.

#### Ninth in Doubt.

Louisville, Ky., Nov. 4. (Special.)—Both Bennett and Kehoe are claiming the Ninth district; but returns practically assure Bennett's victory. The Tenth is safe for Langley. Democratic congressmen in all the other districts except the Eleventh.

### PRIMARY RESULTS IN COUNTIES OF FIRST DISTRICT

#### Houser Wins Race for Sheriff and Local Ring Fails to Pull Single One of Its Candidates Through in McCracken.

Circuit Judge—W. M. Reed. County Judge—Alben Barkley. Representative—Eugene Graves. County Attorney—S. E. Clay. Sheriff—G. W. Houser. County Clerk—G. G. Singleton. County Clerk—J. A. Miller. Coroner—Frank Eaker. County Jailor—Henry Houser. Com. Atty—J. G. Lovett. Co. Supt.—S. J. Billington. County Assessor—G. E. Allen. County Surveyor—Wren.

Notwithstanding their herculean efforts to put through their slate not a man supported by the Lang-Harrison-Berry faction won in the Democratic primary, and, in the sheriff's race, where their energies were focused, their man Graham was defeated by George Houser, who came to the city with the almost solid backing of the farmers who knew him.

As was foretold in The Sun Monday, the machine workers knifed nobly in the sheriff's race and voted solidly for Graham.

Judge William Reed and John G. Lovett easily won in the circuit judge and commonwealth's attorney races, while Joe A. Miller had a walkover in the circuit clerk's race.

Aside from the sheriff's race the contest for jailer was the closest and not until the last precinct was in was the result known. Sam Gott made a phenomenal race, carrying the city and getting a splendid vote in the county, but not enough to overcome Houser's big vote in the county.

Gus Singleton for county clerk, Billington for county superintendent, Clay for attorney, Allen for assessor, and Eaker for coroner, were nominated by god majorities.

The returns in the primary came in early with the exception of a few county precincts, and in all races, except the jailer's, the result was well forecasted by 10 o'clock.

#### Who They Are.

The nominees in the Democratic primary are all well known men and have many warm friends, to whose untiring work and support they are due their nomination.

Alben Barkley, nominee for judge, is the present county attorney. That he is strong in his party was attested by the fact that he had no opposition and received the votes of nearly every one who participated in the primary.

Sanders F. Clay for county attorney is one of the most promising young lawyers at the local bar. He came to Paducah just two years ago from Henderson, and with his brother, A. Y. Clay, established a law office. In view of his short residence in the county his vote was phenomenal.

George W. Houser, nominee for sheriff, is one of the county's most substantial farmers and won in a race in which good men were entered, one from his home precinct. He is a man of unquestioned honor. It is said that never in the history of the county have so many farmers interested themselves in behalf of any one candidate as they did for Mr. Houser, and men who were never before connected with a political campaign went out and worked for him.

Gus Singleton is a well known politician of the city. He formerly served as chief of police. For several years he has been engaged in the produce business.

Col. Joe A. Miller, nominee for circuit clerk, will succeed himself. He has been in politics 20 years, having served several terms as county jailer and made an efficient official. That W. C. Kidd will continue as his deputy is assured and is pleasing to members of both political parties.

George E. Allen for assessor is a deputy under Wes Troutman, the present incumbent. Frank E. Eaker was nominated to succeed himself as coroner in which office he has made a good record.

Henry Houser, nominee for jailor, is a farmer. He is a cousin of George Houser the nominee for sheriff.

Clark, in the jailer's race, had the largest majority of any of the Democrats, defeating Brown by 417 votes. In the aldermanic races Ed Hannan led the ticket with 2,411, and Walston led the Republicans with 2,109.

On the council tickets, Wilson led with 2,407 for the Democrats and Rebout with 2,133 for the Republicans.

For school trustees, Col. Harry Rhodes ran away ahead of his ticket, with 2,428, running second only to Clark's vote in the jailer's race. For the Republicans Bondurant led the ticket.

#### How the Managers Feel.

The Democratic managers are wearing the broad smile of pleasure this morning, and the Democratic candi-

date the congratulations of their friends. While the majorities are not as big as they expected, they are satisfied. Former Mayor Lang and Judge Lightfoot both claimed the city by 500 immediately after the registration, and the way the Republicans went after them in some contests had them sitting up and taking cognizance of things. They were not satisfied that all was well till late in the evening.

The Republican managers express no surprise at the results. "When

### BRYAN AND KERN BOTH MAY GO TO THE U. S. SENATE

Lincoln, Nov. 4.—Democrats apparently control the legislature. It is regarded as certain Bryan will be elected senator.

Lincoln, Nov. 4.—Defeat does not worry Bryan. He slept well and ate heartily. He declined to comment until he receives more complete returns from Indiana, Ohio, Maryland and West Virginia. Nebraska returns greatly please Bryan, especially the figures showing he carried two-thirds of the Lincoln precincts.

Kern Wins. Indianapolis, Nov. 4.—If the Democrats control the legislature Kern is regarded as sure to be elected to the senate.

### JOE CANNON FOR REVISED TARIFF --HE IS PLEASED

Danville, Nov. 4.—Cannon issued a statement that the returns indicate his election by 8,000 plurality and are extremely gratifying, considering the attacks by Gompers' agents and the anti-saloon league. It showed that while the people outside the district were deceived, very few home people were. A Republican victory and Republican congress restore confidence. He promised that election pledges to revise the tariff will be executed.

### HUBBARD CAUGHT AND WILL BE SENT BACK TO PADUCAH

After jumping around over Illinois, H. E. Hubbard, wanted in McCracken county for converting money of another to his own use, has been arrested at Benton, Ill., and registered papers have been applied for to bring him back to Kentucky. Detective T. J. Moore located Hubbard and wired to have him arrested. Hubbard was a collector for the Rhodes-Furford Furniture company, and is alleged to have converted \$200 to his own use besides feeding other merchants out of money. He was placed in jail, and his bond fixed at \$300. He gave a cash bond and did not appear for trial at the law.

Tommy had been spanked by Miss Manners, his first-grade teacher, but his next teacher had not reached the point where she felt she could do justice to him in spite of all his naughtiness.

"Send him to me when you want him spanked," said Miss Manners one morning, after her colleague had related his many misdemeanors.

"About 11 o'clock Tommy appeared at Miss Manners' door. She dropped her book, grasped him firmly by the hand, led him to the dressing room, turned him over her knee and administered punishment."

"When she had finished she said, 'Now, Tommy, what have you to say?'"

"Please, miss, my teacher wants the scissors," was the unexpected reply.—Success Magazine.

## BRYAN DEFEATED FOR THIRD TIME

Never Lost Hope Until He Lost  
New York State.

Chairman Mack Had Not Communicated With Bryan Up to Late Hour—Was Comforted.

THEN MADE NO STATEMENT.

Fairview, Lincoln, Neb., Nov. 4.—Bryan received at his home, "Fairview," the returns which early told him that for the third time he had been defeated in the greatest ambition of his life. Confident of victory to the very last he was not prepared to believe his cause was lost until the pluralities of his Republican opponent piled up in such proportions as to leave no room for doubt. When the early returns came in he made particular inquiries regarding New York and found much encouragement in the gains he was making up state over the Democratic vote in 1904, but as the figures continued to be received he relied on Greater New York to offset the heavy Taft vote above Harlem river. Even in that he was bitterly disappointed and he soon realized that the state was hopelessly gone, and with it his prospects of being elected.

According to the predictions of his managers he was led to believe that he would be elected without the aid of the Empire state and he turned his inquiries toward Ohio and Indiana. Heavy Democratic gain in the Thirteenth Ohio district was the source and to him indicated the prophecies that Ohio would go Democratic had been fulfilled. He also got much comfort out of the telegram from John E. Lamb, member of the advisory committee of Indiana, stating that indications were that Indiana probably would go Democratic and derived a good deal of satisfaction in the fact that his own precinct had given him a handsome majority and in the reports that he would again carry his own state.

After nearly three hours spent in his library Bryan came upstairs and talked to newspaper men and others who had assembled in the "work room." He read some further returns but they told the same story of defeat and he announced that he would not make any statement.

While a number of Democratic leaders from all over the country communicated with the candidate by telegraph the absence of any word up to a late hour from Chairman Mack was the subject of comment.

Mrs. Leavitt, Bryan's eldest daughter, would not concede that her father had lost his fight and remained up until a late hour believing more favorable news would be forthcoming.

**Taft Congratulated.**  
Cincinnati, Nov. 4.—Taft, surrounded by a party of relatives and close friends received the returns at the residence of his brother. The party was very joyous and their enthusiasm increased as the favorable news increased and it was finally shown that the judge would be elected. Later in the night congratulatory telegrams pouring in from all parts of the country and many messages in response were sent by Taft. One of the earlier messages was this from Daniel J. Keefe: "Congratulations on the splendid victory. Labor voters appreciate and recognize their real friends."

**Makes Brief Speech.**  
Later in the night responding to the congratulations of his neighbors, Taft made a brief speech in which he said the election had been a most

important one and hoped and believed it would prove to be wholly in the interest of the whole country in promoting the return of prosperity. He said the result showed that "not only the business men but the laboring men, wage earners and farmers, have had confidence in the Republican party and the Republican ticket. It indicates that they would be independent and would not be controlled by any leader who might propose to deliver them to one party or another." He concluded with the pledge "that all the energy and ability that in me lies shall be used to make the next administration a worthy successor of that of Theodore Roosevelt, and beyond that I claim nothing higher."

**Roosevelt Elated.**  
Washington, D. C., Nov. 4.—President Roosevelt was greatly elated when he saw by the election bulletins which reached the white house that the man who will succeed him to the presidency is William Howard Taft, for whose election he has striven so hard, and that the Republican party had achieved a sweeping victory. The president spent a short while in his office and then went back to the white house to be with his guests who included cabinet members and assistant secretaries now in town and their wives, and Generals Bell and Edwards. He went back and forth a number of times during the evening and it was not until a late hour that he retired for the night.

Shortly before midnight he made public telegrams of congratulations which he had sent to President-elect Taft, Vice President-elect Sherman, Governor Hughes, Republican National Chairman Hitchcock and Congressional Committeeman Loudenslager.

**Florence Gear.**  
Florence Gear, Jules Murry's singing comedienne, who, supported by a large singing company, will be seen in "Marrying Mary" at the Kentucky on Tuesday, November 10, has an exuberant personality. Perhaps the most characteristic individual part of her work is that in which she has given her invention full swing and allowed her humor to play its maddest pranks at will. In some of her scenes as Mary Montgomery she seems enveloped in an atmosphere distinct with gaiety and folly, where burlesque is natural and only the extravagant is normal. Again she is finer, stronger, sadder. Nothing in her work is peculiar or superfluous. There are times when it has a touch of the pathetic. Her imagination is never inferior in kind nor poverty stricken in degree. She never fails to completely and logically develop the points she wishes to make. At her happiest she has the gift of laughter, at her dearest and truest the more precious gift of tears.

**Tim Murphy.**  
Mr. Tim Murphy has had some varied experiences with advance agents. On one occasion the agent overdraw the company's bank account. Mr. Murphy was mortified beyond expression for such a thing had never happened to him before, and he wrote the agent a strong letter. Two weeks later the agent did it again. Then Mr. Murphy telegraphed him: "Overdrawn account again. Aren't you ashamed of yourself?" Just as the curtain rose that night a messenger boy brought this dispatch from the agent: "Yes, I acknowledge it was not all to my credit." But that apology didn't go.

## HOW IT MIGHT HAPPEN. V.

Here is a catastrophe that would not happen if drivers of vehicles would not drive rapidly out of a cross street and across the tracks. A driver was asked once what he did all day. "Sometimes I sit on the seat and think" he said "and sometimes I just SIT." Caution your driver to think—and listen and look—and go slow—when he comes out of a cross street to go over the car tracks.

There would be no excuse for you if you read this and forgot it. What apologies would you make to the dead horse?

**Next Mistress of the White House.**  
Washington, D. C., Nov. 4.—No woman ever called upon to fill the difficult and exacting position of mistress of the white house was better prepared and equipped for her task than is Mrs. Helen H. Taft, the wife of President-elect Taft. She is a woman of culture and refinement and of many accomplishments, possesses unusual tact, social finish and, above all, a large measure of sound common sense. For a number of years she has lived in Washington as one of the most distinguished women of the official circle and the training which she received during that time will, undoubtedly, prove of great value to her as mistress of the white house.

Personally Mrs. Taft is quite as attractive as she is from an intellectual point of view. She is fair, slender and girlish looking and no one would suspect from her appearance that she has a son old enough to be in college. She is frank and vivacious, unpretentious, and yet possessed of marked dignity of bearing and the self-poise so necessary to a woman in her exalted position. She is always cordial, a rare accomplishment among society women, and possesses an excellent memory for persons and names, an invaluable gift for the wife of a political leader.

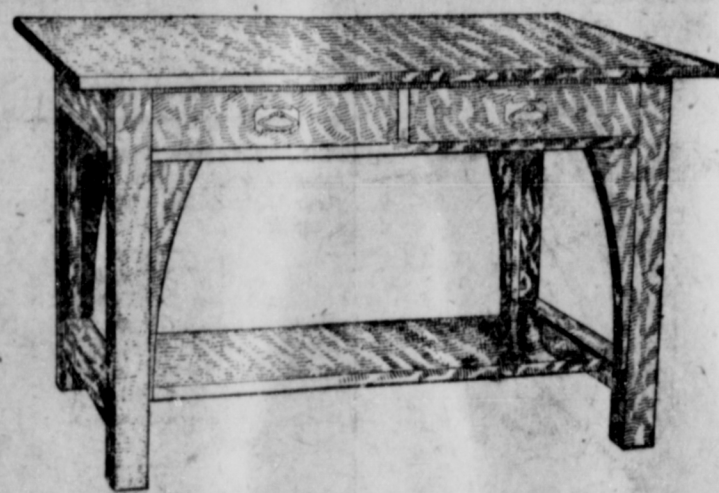

The new mistress of the white house is Miss Helen Herron, daughter of the law partner of the late President Hayes, when she married William H. Taft in Cincinnati, in 1886. She was a bright and talented girl with a perfect passion for music. In addition to a good education she received an excellent training in music and through all her future life music has ever been her favorite recreation. She is not only an accomplished pianist, but possesses a thorough knowledge of the theory of music and an extensive acquaintance with the best works of musical literature. But, notwithstanding her great love of music and her ardent devotion to it, she has never allowed it to become an all-absorbing passion, or even a fad to the extent of interfering with her duties to her husband and her family.

Although, probably, better equipped for a high social position than most

women holding important positions in American society. Mrs. Taft is by no means a typical "society woman." For that she is too intelligent, sensible and well balanced. Ever since her husband entered official life in Washington, and even before that, when he was still holding a judgeship in Ohio, Mrs. Taft has made it her study and aim to fill to the best of her ability the position in society to which she was entitled by virtue of her husband's official rank. Her natural talent and the intellectual training of her girlhood days made the task easier for her and her inborn tact helped her to avoid the pitfalls so disastrous to inexperienced and but indifferently equipped women in official society.

Nowhere is the new mistress of the white house seen to greater advantage than in her home circle, the supreme test for the sterling qualities of any woman, no matter what her position in society. She is devoted to her husband and her children, takes interest in everything pertaining

to her domestic establishment and is considered a model housekeeper.

### NEW LEAD

OPENED IN REELFOOT NIGHT  
RIDER INVESTIGATION.

War to End Will Be Effort of Attorneys to Release Men on Habeas Corpus Writs.

Union City, Tenn., Nov. 4.—Attorney-General Caldwell states it will be way to the end when the attempt is made to free Watson and Marshall by habeas corpus proceedings. It was generally believed Watson might be freed, as he is under indictment

in Lake county and out under \$5,000 bond, but the attorney general says he will hold him along with the rest.

Watson and Marshall will be on hand, according to present plans, and will come over from Camp Nemo under military guard.

Some of the warrants which are being issued were given to officers to be served Tuesday. Gen. Caldwell said he would utilize civil and military officials in serving them.

"We recognize the military as an arm of the civil authority, working with and under us," he said, "and will use them wherever we can."

It is understood that the soldiers will serve warrants on the prisoners in Camp Nemo and others they can reach and that Sheriff Eastwood and deputies will serve others. It was stated Tuesday that some of these warrants for the ringleaders have been sworn out some time and held for an emergency.

prisoners under guard of the military as much under civil arrest as if in the county jail.

The coteries of lawyers working up evidence in Union City have secured startling information the past two days, and one witness Monday is reported to have opened a new lead in the investigation. Witnesses are coming in daily to Union City, and telling what they know. A number of big surprises will be sprung at the trials, it is said.

"The spirit of your wife is here," said the medium in sepulchral tones. "That so? Well, just ask her where she put the recipe for the liniment I rub my shoulders with."

There was nothing doing. Another test of profound psychological phenomena had slumped.—Philadelphia Ledger.

People would get very little pleasure out of breaking the law if doing the same thing was considered it.

### WRITING MESSAGE

ROOSEVELT PREPARING FOR  
NEXT CONGRESS.

Part of Message Will Be Devoted to  
Enlarging Power of Commerce  
Commission.

Washington, Nov. 4.—A large part of President Roosevelt's final annual message to congress was dictated today. It is being written, it was stated at the white house, as if the president were going to continue in office for another four years. It is to be full of vim and vigor. Every live topic heretofore mentioned in messages again will be fully treated.

recommended are more power for the interstate commerce commission, the insertion of the word "reasonable" in the anti-trust law, so that it will forbid only unreasonable restraints of commerce, between states, conservation of the forests and tariff revision, the latter because the platform pledged the party to it.

The idea underlying the message thus far written is that Taft is to carry forward the policies of the outgoing administration.

Some men put everything off till tomorrow with the exception of bill collectors, and they put them off indefinitely.

## Concerning Drug Stocks!

A large, well selected stock enables us to supply the wants of a greater number of people and those more promptly than if we were handicapped by a small incomplete stock. We find our big stock a very great aid in filling prescriptions, too, enabling us to give what the doctor orders without the delay of sending out for it.

Furthermore, we can often make very low prices on goods in quantity lots.

Mrs. Welle is delightfully known to Paducah music-lovers and is always a favorite. Of Miss Alla Wright, the Musical Courier says: "Miss Alla Wright, a Kentucky girl who has a positive genius for music, appeared in a remarkable performance of Beethoven's concertos in B flat. The young lady, who is scarce more than a girl, did her work with technical precision and a certain, all-round musical authority. It is not frequent that such a performance is heard."

## NEWS OF COURTS

**In Circuit Court.**

Three suits for divorce were filed yesterday. If it was election day, Abandonment was the grounds alleged in each case and all the parties are colored. The style of the suits are as follows: Henry Mitcheson vs. Ether Mitcheson, Annie Smith vs. George Smith, Ida Bradley vs. James Bradley.

**Cornelison's Plight**

Councilman Cornelison, Republican candidate for alderman, was the victim of peculiar circumstances, according to his friends. It seems that there were two slates for the general council, one of them made up of municipal ownership candidates and the other of the opposing view of municipal economy. Mr. Cornelison, without being seen, was placed on both slates and then somebody on each slate caught sight of the other's slate. The result was that Mr. Cornelison was slashed both ways in the election.

**All Getting Shaved.**

Barbers did a good business today, as the male population of Paducah was too busy calculating on the election yesterday and last night to shave and this morning almost every business man got up late. As a result many faces needed a shave that was not coming until after the business rush.

## CITY RESULTS

Continued from Page One

you face a registration of 1,100 more than you have, with the liveliest sort of a primary to bring the opposing voters out, and then get away with the results we did, we think you are doing very political work," said E. E. Bell today. "There is nothing discouraging in the returns to us."

**Col. Dorian Stands Pat.**

Col. John J. Dorian, city treasurer, was in a pleasant humor this morning. "I believe that I am eligible to hold the office, as I was elected by the citizens at the last election. The election of Mr. Grouse would have saved a lawsuit and the expense. I have no steps to take unless the Democratic nominee advances his claim."

Patrolman James Clark, who won the nomination for city jailer, this morning said: "I shall take charge of the office as soon as I receive my election certificate and have been sworn in. I have arranged for my bond." Three days are given for the counting of the ballots, and it will be Friday or Saturday probably before Mr. Clark will take charge of the keys. He will fill out the unexpired term of Sam Beades. He will have three years and nearly two months to serve.

**Denker Disqualified.**

The Democrats will lose one of the councilmen as Charles Denker, who was elected from the Fourth ward, is ineligible to serve. Mr. Denker resides at 903 Clark street, but Adams street is the dividing line for the fourth and third wards. Mr. Denker was the nominee in the Democratic primary and the error was not discovered. Fred Kreutzer, the incumbent, retains his seat until a successor is elected.

**The School Board.**

The school board will be composed of four Republicans and eight Democrats. Trustees Kelly, Hix and Karnes are the Republican trustees that will hold over, while R. R. Tread will serve the short term in the Sixth ward. J. W. Leigh from the Fourth ward, and George Jacobs from the Fifth ward, will be eligible to serve in the next meeting as Trustees Walston and Murray were filling vacancies in the board.

**Politics of General Council.**

With the disqualification of Charles Denker, a Democratic candidate for council in the Third ward, the council boards will be made up as follows:

Aldermen: Democrats, 5; Republicans, 3.  
Council: Democrats, 7; Republicans, 5.  
This gives the Democrats 12 to the Republicans 8 on joint ballot.  
After January the boards will be: Aldermen: Democrats 6, Republicans 2.  
Council: Democrats 6, Republicans 6.  
This leaves the conditions the same on joint ballot.  
Interest centers in the makeup of the joint board; for the election of city weigher, license inspector, market master and sewer inspector will be held next month. If the Republicans can get two votes from the Democrats for any of their candidates they will tie up the election.

**What Shall We Have for Pie?**

Thousands of housewives settle this question daily by making lemon, chocolate or coconut-custard pies, which have become extremely popular since "OUR-PIE" Preparation has come into general use everywhere. If "OUR-PIE" does not please you the first time, try it again after reading carefully directions on package. The more you use the goods the better you will like them.

**Downey Infant.**

The six-month-old infant daughter of Mr. and Mrs. L. Downey, near Maxon Mills, died this morning of stomach trouble. The funeral will be held tomorrow afternoon at 1 o'clock. The burial will be at Palestine church cemetery.

**Democrats Read Out**

Many Democrats were prevented from voting at the polls by the election officers, and much discontent has arisen among the Democrats who were prevented from voting. Dr. D. G. Murrell, a Confederate veteran, and Mr. L. S. Levy, both prominent Democrats, were refused the right to vote in the primary yesterday. The officers at the polls challenged many voters, including many Democrats, especially in the primary.

**Colonel Harry C. Rhodes**, who was elected by the Democrats to the school board, is at present a member of the park commissioners, and in the event he accepts the trusteeship, he will resign as commissioner, which would give Mayor Smith another office to fill. Hard to attend to household duties  
With a constantly aching back.  
A woman should not have a bad  
back.  
And she wouldn't if the kidneys  
were well.  
Doan's Kidney Pills make well kid-  
neys.

Here is a Paducah woman who en-  
dorses this claim:

Mrs. R. E. Whitner, of 820 South  
Sixth street, Paducah, Ky., says:  
"For years I was a sufferer from kid-  
ney trouble. At times my back was  
so lame that I was unable to get  
around the house. I doctored and  
received very little benefit until I be-  
gan using Doan's Kidney Pills, pro-  
cured at DuBois, Son & Co.'s drug  
store. I took them as directed and  
the results were very satisfactory. I  
certainly believe that I would have  
been confined to my bed by this time  
were it not for Doan's Kidney Pills."

cents. Foster-Milburn Co., Buffalo,

cleaning up routine matters so that  
he will be free to make the trip and  
get the rest and recreation he de-  
sires.

It has been his custom to  
spend a short time annually at  
Thanksgiving at Mrs. Roosevelt's  
lodge at Pine Knot, Va., but there  
is no hunting in the neighborhood.

Long tramps after wild turkey  
have always proved fruitless. The  
president has been informed that  
there is good hunting in the moun-  
tains about Asheville. Friends have  
promised him that he shall have a  
shot at bears larger than there is to  
be found in the Louisiana canebrakes.

The trip to Tennessee would have  
the additional advantage of giving  
the president an opportunity to plan  
with Taft work for the approaching  
session of congress and for the extra  
session that is to be called after  
March 4 next. The two leaders  
would be free from interruptions or  
intrusions while on their hunting  
trip.

EXPERIMENT IN  
HIGH FINANCEWoman Secures \$20,000  
Worth of Bonds.Was Captured as She Was About to  
Leave, and Gave Up the  
Bonds.

## NEARLY MADE HER ESCAPE.

Chicago, Nov. 4.—With \$20,000 of  
bonds which she had obtained from  
the firm of Babcock, Rushton & Lou-  
derbach, bond dealers, in the Rook-  
ery building, a woman known as Alice  
Cheney Brown, was arrested last  
night at the Union depot and made to  
return the securities.

She had a ticket for Denver, and  
was aboard the train waiting for its  
departure when Detective Frank Re-  
petto found her preparing to retire  
for the night.

Repetto's instructions from the  
brokers were not to detain the wom-  
an if she restored the \$20,000 worth  
of bonds. This she readily assented  
to, and she took them from a handbag  
on the seat beside her.

The woman had also passed a  
worthless check for \$63 on the man-  
agement of the Congress Hotel com-  
pany. Detective Repetto, who is em-  
ployed by the hotel company, had this  
little score to settle with the woman.  
She made good the amount of the  
check and was allowed to go her way.

## How She Did the Work.

The method by which the woman  
obtained the bonds was by passing a  
worthless check on the brokers for  
\$19,720. Soon after the transaction  
Orville E. Babcock, one of the firm,  
became suspicious of the genuineness  
of the check and telegraphed to the  
Farmers Loan and Trust company,  
of New York, on which bank it was  
drawn. An answer was received that  
the woman had no account with the  
Farmers Loan and Trust company.  
It was known to the brokerage firm  
that Mrs. Brown was staying at the  
Annex, and a messenger was sent  
there to find her. At the hotel it  
was learned that the woman had paid  
her bill and left. She had paid with a  
check on the Farmers Loan and  
Trust company, and had ordered a  
carriage to take her to the La Salle  
station.

Manager Southgate, of the Annex,  
examined the check passed on the ho-  
tel, and inasmuch as the check of the  
brokerage firm was worthless, he de-  
clared that the smaller one was worth-  
less, too.

Detective Repetto was called in,  
and with Mr. Babcock went to the  
municipal court, where a warrant was  
sworn out charging the woman with  
operating a confidence game.

## Changed Her Cabs.

The cabman who drove the woman  
from the Annex was found, and he  
said she discharged him at the La  
Salle street station. It was learned  
that a woman answering the descrip-  
tion of Mrs. Brown had engaged an-  
other cabman and that he drove her  
to the Northwestern depot. After  
discharging the second cabman, she  
entered a third vehicle and was driven  
to the Union depot.

In the baggage room it was dis-  
covered that the woman had checked  
a suit case to Denver, presenting her  
railroad ticket at the time. The  
Burlington train for Denver did not  
leave Chicago until 11:30 o'clock, and  
Repetto remained in the depot until  
shortly before the time of its depart-  
ure. How the woman got past him  
and aboard the train without being  
seen is a mystery to the detective.

When questioned on that point by  
Repetto she looked out of the car  
window and laughed.

At first Mrs. Brown pleaded for  
leniency, asking that she be per-  
mitted to pay the hotel bill and continue  
her trip to Denver. The detective  
agreed to accept the \$63 for the ho-  
tel bill, and she paid him in cash.  
Then she turned over the bonds.  
When he did so, she told him that  
she had planned to obtain the bonds  
which she hoped to sell in Den-  
ver so she could get funds with which  
to aid a brother who is under arrest  
in the east for some offense.

## No Effort to Prosecute.

The securities were turned over to  
Mr. Babcock, who was waiting for  
Repetto at the Auditorium Annex.  
Mr. Babcock said the firm would make  
no effort to prosecute Mrs. Brown.

The bonds were twenty in number  
of \$1,000 each. They were first  
mortgage 5 per cent. bonds on the  
Madison River Power company.

Mrs. "Brown" went to the Annex  
last Thursday, she registered as "Mrs.  
Frank E. Brown, New York." The  
day following her arrival she called  
on Babcock, Rushton & Louderbach  
with letters, presumably forged, pur-  
porting to be from a New York broker.  
Negotiations were begun for the  
purchase of the bonds, but the deal  
was not closed until yesterday.

It was learned after the Denver  
train had departed that Mrs. Brown  
got through the station without being  
seen by Repetto by a clever ruse.  
Outside the station she saw a third  
woman holding a baby and engaged  
her in conversation. Without arousing  
the woman's suspicions she in-  
duced her to let Mrs. Brown hold her  
baby and then accompany the child  
and its new friend to the train. In  
passing through the depot Mrs. Brown  
was seemingly intent on the child  
and as she was not supposed to have  
a baby, passed unnoticed.

EASILY OVERCOMES  
STOMACH TROUBLEStops Food Fermenting and  
Relieves Dyspepsia in  
Five Minutes.

Take your sour stomach—or maybe  
you call it indigestion, dyspepsia, Gas-  
tritis or Catarrh of Stomach; it  
doesn't matter—take your stomach  
trouble right with you to your phar-  
macist and ask him to open a 50-cent  
case of Pape's Diapepsin and let you  
eat one 22-grain Triangule and see if  
within five minutes there is left any  
trace of your former misery.

The correct name for your trouble  
is Food Fermentation—food souring;  
the digestive organs become weak,  
there is lack of gastric juice; your  
food is only half digested, and you  
become affected with loss of appetite,  
pressure and fullness after eating,  
vomiting, nausea, heartburn, griping  
in bowels, tenderness in the pit of  
stomach, bad taste in mouth, consti-  
pation, pain in limbs, sleeplessness,  
belching of gas, biliousness, sick  
headache, nervousness, dizziness and  
many other similar symptoms.

If your appetite is fickle and noth-  
ing tempts you, or you belch gas or  
if you feel bloated after eating, or  
your food lies like a lump of lead on  
your stomach, you can make up your  
mind that at the bottom of all this  
there is but one cause—fermentation  
of undigested food.

Prove to yourself, after your next  
meal, that your stomach is as good  
as any; that there is nothing really  
wrong. Stop this fermentation and  
begin eating what you want without  
fear of discomfort or misery.

Almost instant relief is waiting for  
you. It is merely a matter of how  
soon you take some Diapepsin.

Berlin, Nov. 4.—In spite of the  
fact that Crown Prince Frederick  
William visited Chancellor von Bue-  
low, which is an indication that the  
chancellor retains the imperial favor,  
there are many rumors current that  
the chancellor will persist in retiring

the now famous interview with the  
emperor that appeared in the Daily

men are mentioned to succeed him.

Herr von Kiderlen-Waechter, the  
German minister at Bucharest, Rou-

foreign secretary during the illness of  
Herr von Schoen which promises to

London, Nov. 4.—It became evi-  
dent today that the plan of campaign  
for ending the Boer war, which was  
drawn up by Emperor William and  
sent to Queen Victoria, according to  
the interview with his majesty that  
appeared last week in the Daily Tele-  
graph was not communicated to the  
British war office.

This matter has aroused the ire of  
the Irishmen, who affect to see  
therein an attempt to rob their fellow  
countryman, Lord Roberts, of the  
glory attached to his success, and  
William Redmond, the nationalist,  
beckled War Secretary Haldane on  
the subject in the house of commons.

## War Plan Not Seen.

The secretary replied that the ar-  
chives of the war office contained no  
such document and that he could find  
no record of its ever having been in  
the possession of anybody connected  
with the department.

Mr. Redmond wound up his ques-  
tions by suggesting that Mr. Haldane  
propose to Premier Asquith the pro-  
priety of offering Emperor William  
a seat in the British cabinet, thereby  
making the situation regular.

ANNIVERSARY OF THE BIRTH OF  
DOWAGER.Greatest Day of Festivities in Honor  
of the Visiting American  
Battleships.

Amoy, China, Nov. 4.—The sev-  
enty-fourth anniversary of the birth  
of the dowager empress of China was  
celebrated today and the event was  
made the greatest day of the festivi-  
ties in honor of the visiting battle-  
ships under Rear Admiral Empory.  
There was a reception on board the  
Chinese cruiser Ha Chi at 11 o'clock  
in the morning and another reception  
on shore at the Nan Pu Tou Miao  
temple at noon. A national salute  
was fired at noon in honor of the em-  
press' birthday by all the warships in  
the harbor, which total fourteen.

## Drink Toast.

At the reception ground no toasts  
were proposed until the company had  
officially adjourned. Then Prince Yu  
Lang proposed the health of the em-  
press dowager. All the sailors and  
officers present, as well as the other  
guests of the government, Chinese  
and foreign, joined in the cheers and  
drank to the toast. At the same time  
there was a pandemonium of fire-  
crackers and fireworks on all sides.

Three thousand men went ashore  
from the battleships during the day.  
The cutter and gig boats went to  
crowd from the Louisiana, and the  
baseball nine from this vessel defeat-  
ed the Wisconsin's team 14 to 1. The  
hundred yards dash was won by a  
man from the supply ship Caracas,  
while second honors went to the Ken-  
tucky and third to the Ohio. In the  
running broad jump a man from the  
Virginia won, the Kentucky entrant  
was second and Missouri third. The  
high jump went to the Missouri, with  
the Virginia second and the Kentucky  
third. In the tug of war the third  
division defeated the fourth division.  
Prince Yu Lang congratulated the  
winners in person.

A Chinaman detected in selling  
spurious gold ornaments to men of  
the fleet was summarily punished and  
ordered to refund all the money he  
had taken in. The strict rules were  
slightly relaxed, and more Chinese  
were allowed to enter the reception  
grounds.

## A PROCLAMATION

Whereas, the people of our city have been led to pur-  
chase so-called remedies from which they have received  
no benefit whatever, and having thus wasted so much  
hard-earned money, it has come to pass that they know  
not what to believe.

Inasmuch as this unsatisfactory state of affairs exists,  
KNOW, THEREFORE, ALL PERSONS who are  
in need of such a medicine that we will supply them  
with VINOL on a POSITIVE GUARANTEE that  
if it does not succeed in benefiting them we will refund  
the entire amount of money paid us for it.

There is no one medicine that will cure everything, but  
there are some we know to be honest, reliable, and of great  
curative value. Such is VINOL; it is not a secret  
medicine,—just peptonate of iron, wine, and all the  
curative extractives of cod liver oil, combined. We are  
familiar with every particle of it, and KNOW that it  
should benefit every one who uses it.

Could any offer be more fair than this? You are ill;  
we offer you medicine which we believe will help you,  
and if it does not we will return your money. Is there  
anyone foolish enough not to accept this offer? You  
owe it to your family, to your friends, and yourself to try  
this medicine which we give you our pledge is a genuine  
cod liver and iron preparation of great merit.

We unhesitatingly recommend Vinol as a Body  
Builder and Strength Creator for Feeble Old People,  
Delicate Children, Frail Women, All Run Down  
Persons, and Those Needing a Good Tonic after the  
Grippe or any Severe Illness, and for Chronic Coughs,  
Colds and Bronchitis.

Do you think we could afford to lend our name to its  
praises, as we have been doing in the newspapers, if we  
did not know VINOL to be an honest and unusually  
valuable remedy for the ills for which it is prescribed?  
We certainly could not; we therefore ask you, our neigh-  
bors, friends and acquaintances to accept our assurances  
that this is a genuine offer, and that any and all persons  
who need a medicine of this character should feel a sense  
of security in accepting it.

You will absolutely be under no obligation to us what-  
ever, if after you have tried one bottle of VINOL, and  
have not received any benefit, you have only to tell us  
so, and we will return the entire amount of money you  
paid us for it.

VINOL is an old and valuable remedy improved by  
modern science—tastes good and agrees with every one.

Call and get a bottle to-day. You won't be sorry.

## HARRIMAN SILENCE UP TO HIGH COURT

U. S. Supreme Bench to Decide  
if Magnate Must Answer.

Arguments on Rail Company's Right  
to Speculate Likely to  
Begin.

NOTED LEGAL FIGHT DUE.

Washington, D. C., Nov. 4.—The  
Justices of the United States supreme  
court are to be regaled with argu-  
ments by noted attorneys this week  
concerning the famous case wherein  
E. H. Harriman refused to divulge  
information concerning stock trans-  
actions of the Union Pacific railroad  
company and the alleged speculations  
of its president and directors.

Should the case be called on elec-  
tion day, and it now appears that it  
will fall on that date, such citizens  
as ex-Senator John C. Spooner, John  
G. Milburn, Robert S. Lovett, Walker  
D. Hines, Paul D. Cravath, C. A.  
Severance and Frank B. Kellogg,  
members of counsel for both Mr.  
Harriman and the government, will  
lose their chance to vote.

Important Law Points Involved.

Messrs. Severance and Kellogg,  
the latter known as the administra-  
tion "trust buster," and assistant to  
the attorney general, will present the  
case on behalf of the government,  
which seeks to compel Mr. Harriman  
to answer questions put to him dur-  
ing the investigation by the inter-  
state commerce commission into the  
financial affairs of the Union Pacific  
during the winter of 1906. The  
other attorneys mentioned are gather-  
ing in Washington to fight for the  
interests of Mr. Harriman.

Arguments in the case promise an  
exposition of some fine points which  
involve an interpretation of an im-  
portant part of the law under which  
the interstate commerce commission  
is operating. The final disposition of  
the matter, which already has been  
decided in favor of the government's  
contention by the circuit court of  
appeals at New York, will settle some  
hotly argued views in regard to the  
power of the interstate commerce  
commission when it comes to inves-  
tigating financial operations and in-  
ternal management of an interstate  
common carrier.

Say Rail Company Can Speculate.

In this instance it is asserted by  
Mr. Harriman's counsel that the gov-  
ernment has not the right to go into  
these matters, and that whatever  
speculative dealings its officers may  
enter into do not pertain to inter-  
state commerce. They maintain,  
practically, that a railway corpora-  
tion organized under the laws of a  
state, although engaged in interstate  
commerce, can speculate.

The government counsel will  
argue that congress has the right to  
provide against railroad insolvency  
by requiring regular reports concern-  
ing a railway's financial condition  
and may prevent railway companies  
from buying stocks.

The interstate commerce commis-  
sion started an investigation into the  
control of railways by the Union Pa-  
cific, its purchase of stock of various

FOR PIMPLES, TOO.

New Discovery Cures Eczema and  
Eradicates Minor Skin Troubles  
Overnight.

A few months ago the dispensers  
of Poslam, the new discovery for the  
cure of eczema, decided to allow the  
druggists of the country to handle  
it. Previous to that time it could  
only be obtained direct from the lab-  
oratories.

Since this change in the method of  
distribution, Poslam has met with the  
most phenomenal success of anything  
introduced to the drug trade in the  
last 20 years. All leading druggists,  
including Gilbert's in Paducah, are  
now carrying the special 50-cent size  
recently adopted, also the \$2 jar.  
This great success is not surpris-  
ing when it is remembered that, in  
eczema cases, Poslam stops the itching  
with first application, proceeds to  
heal immediately, and cures chronic  
cases in a few weeks. In minor skin  
troubles, such as pimples, blackheads,  
acne, herpes, blotches, rash, etc., re-  
sults show after an overnight applica-  
tion. Experimental samples of  
Poslam are sent to anyone by mail  
free of charge, by the Emergency  
Laboratories, 32 West Twenty-fifth  
street, New York City.

other lines, and the effect of this  
practice upon its transportation  
rates. When asked what price had  
been paid for Illinois Central stock  
before its sale to the Union Pacific,  
Mr. Harriman declined to answer.

Other Questions Still Unanswered.

He also declined to answer ques-  
tions as to his previous purchase and  
sale to himself, as president of the  
Union Pacific, of stocks of the Chi-  
cago and Alton, St. Joseph and Grand  
Island, New York Central, Lake  
Shore, and other lines.

Another set of questions was fired  
at Mr. Harriman concerning the in-  
crease of Union Pacific and Southern  
Pacific dividends and the alleged con-  
cealment of Union Pacific officials to  
keep the raise a secret from the other  
stockholders until the officials had  
supplied themselves with stock of  
their road for speculative purposes.

Mr. Harriman refused to answer  
the questions and the entire matter  
was then carried before the United  
States circuit court of appeals at  
New York. Justice Hough of that  
court decided that Mr. Harriman  
must answer the questions put to  
him. Mr. Harriman appealed to the  
United States supreme court. He  
will be required to answer if the de-  
cision of the United States court of  
appeals at New York is affirmed.

A Paying Investment.

Mr. John White, of 38 Highland  
Ave., Houlton, Maine, says: "Have  
been troubled with a cough every  
winter and spring. Last winter I  
tried many advertised remedies, but  
the cough continued until I bought a  
50c bottle of Dr. King's New Discovery;  
before that was half gone, the  
cough was all gone. This winter the  
same happy result has followed; a  
few doses once more banished the  
annual cough. I am now convinced  
that Dr. King's New Discovery is the  
best of all cough and lung remedies."  
Sold under guarantee at all drug-  
gists. 50c and \$1.00. Trial bottle

SAM'S ARE \$976,775,625.

Amount Does Not Include \$1,214-  
345,869 in Treasury Notes Out-  
standing. Offset by Cash.

Washington, Nov. 4.—The month-  
ly statement of the public debt shows,  
at the close of business October 31,  
1908, the debt, less cash in the treasury,  
amounted to \$976,775,625,  
which is an increase for the month  
of \$8,511,975.

The debt is recapitulated as fol-  
lows:

Interest bearing debt, \$897,253-  
990.  
Debt on which interest has ceased  
since maturing, \$3,738,235.  
Debt bearing no interest, \$392-

This amount, however, does not  
include \$1,214,315,869 in certifi-  
cates and treasury notes outstanding,  
which are offset by an equal amount  
of cash held in the treasury for their  
redemption.  
The cash in the treasury is class-

Total, \$1,770,503,682, against  
which there are demand liabilities  
outstanding amounting to \$1,453-

on hand of \$316,882,256.

## SOUTHERN TRIP

CHICAGO WILL ALLOW BUSINESS  
MEN TO MEET.

Delegation Has Arranged for Exten-  
sive Trip Through Towns in  
South.

Chicago, Nov. 4.—The proposed  
"Southern Trades Extension Trip" to  
be made by a delegation of Chicago  
business and professional men, under  
the auspices of the Chicago Associa-  
tion of Commerce, for the purpose  
of encouraging closer social relations  
between two important sections of  
the country, will be a great success,  
judging from the spirit in which the  
enterprise is being undertaken.

This is not to be an order-taking  
trip, but is intended to afford a first-  
class opportunity for the business  
men of the two sections, Chicago  
and the south, to get together on  
the basis of American fellowship.  
Men who have shaken one another's  
hands, it is argued, can do more busi-  
ness together, and can do it more  
satisfactorily, than men whose inter-  
course has been confined to pen and  
paper.

Extensive Itinerary.

The delegation will leave Chicago  
by special train November 8, cover-  
ing the important towns in Arkansas,  
Tennessee, Mississippi, Alabama and  
Louisiana. They will reach Chicago  
on their return trip on November 22.  
Aside from representatives from the  
leading jobbing and manufacturing  
interests in this city, the party will  
include one of the representatives of  
the University of Chicago, a promi-  
nent member of the Chicago board of  
trade and representatives of the  
press.

The Chicago Association of Com-  
merce intends to make this trip a  
genuine success from start to finish.  
The train which is to carry the party  
will be equipped with all of the nec-  
essities of traveling life and not a  
few of its luxuries.

The delegates are requested to at-  
tend a meeting of the ways and  
means committee, to be held Wed-  
nesday. This meeting will be ad-  
dressed by Richard C. Hall, president  
of the Chicago Association of Com-  
merce; Edward H. Skinner, chair-  
man of the executive committee;  
John W. Scott, chairman of the trade  
extension committee, and Harry A.  
Wheeler, chairman of the ways and  
means committee.

A Sure-enough Knockout.

J. C. Goodwin, of Reidsville, N. C.,  
says: "Bucklen's Arnica Salve is a  
sure-enough knockout for ulcers. A  
bad one came on my leg last sum-  
mer, but that wonderful salve knock-  
ed it out in a few rounds. Not even  
a scar remained." Guaranteed for  
piles, sores, burns, etc. 25c at all  
druggists.

## BIG WAREHOUSES FALL INTO MISSISSIPPI RIVER.

St. Louis, Nov. 4.—A special to the  
Republic from Pine Bluff, Ark., says:  
Two large brick cotton warehouses  
owned by R. M. Knox and D. S. Bu-  
denthal tumbled into the Arkansas  
river, following the continuous caving  
in of the banks.

Hotel Jefferson and Jefferson coun-  
ty court house are in danger of fall-  
ing within the next forty-eight hours.  
The river continues to eat its way  
into the heart of the business district.  
Hundreds of acres are being tied at  
the water's edge without effect.

A large plantation on the north  
side of the river is gradually disap-  
pearing.

The wonderful  
new model, Oliver  
No. 5, has taken  
the market by  
storm.  
Its reception by  
the public has ex-  
ceeded in enthu-  
siasm anything  
we had dared to  
anticipate.  
Employers and  
stenographers alike have welcomed it  
as the one machine that answers the  
multiplied needs of the hour.  
The cry is for Speed! Speed! Speed!  
and the Oliver responds.  
The demand for Durability is filled  
by the sturdy, steel-clad Oliver.  
To a call for a writing machine that  
will do many things and do each of  
them equally well, the Oliver answers  
with its unaccompanied versatility.  
—Its visible writing saves the strain  
on eye and brain.  
—Its legibility lends beauty to its  
work. The letters that bear the Oliver  
imprint are the letters that seem to  
speak.  
Oliver No. 5 fairly bristles with new  
and exclusive time-and-money-saving  
features. We have space to mention  
only a few of the more important  
ones.  
—Disappearing Indicator shows ex-  
act printing point.  
—Balance Shifting Mechanism saves  
operative effort.  
—Line Ruling Device is fine for tab-  
ulated work.  
—Double Release doubles conveni-

bility. Yet with all of these added  
improvements, we have still further  
simplified the Oliver—by fusing  
brains with metal.  
Oliver No. 5 is a dream-come-true—the

lized into this wonderful mechanism  
of shining steel that embodies every

## DR. AMOSS CAN'T BE FOUND AT HOME

Seeking to Serve Summons in Night  
Rider Suit on Him in Lyon  
County.

### THE HENRY BENNETT ACTION.

Most of the alleged night rider defendants in the Bennett suit have been found by Elwood Neel, deputy United States marshal, and the summons served on them. It was known many weeks before that the suit would be filed, and was no surprise to the defendants. Marshal Neel returned to Lyon, Tripp and Caldwell counties this morning to serve the remainder of the papers. He returned Monday night in order to vote yesterday.

All efforts to locate Dr. D. A. Amoss, alleged to be the night rider general, and one of the defendants in the Bennett suit, have failed, but the search for him has not been let up. Monday morning at 1 o'clock Marshal Neel, accompanied by Captain Carl Henderson and a few soldiers called at Dr. Amoss' home at Cobb and searched it from attic to cellar, but nothing was learned. None of the family was at home and the tenant in charge of the house denied know-

ing where any member of the family was. On the hall table an envelope was found with Dr. Amoss' name written on it, but the writer had failed to write any postoffice address.

**Law and Order Victory.**  
Murray, Ky., Nov. 4. (Special.)—In the Democratic primary there were several eyelash finishes and the official count will be necessary to determine the result. Holland for sheriff claims the election by 28 majority over W. A. Patterson. E. P. Phillips claims the election for county judge over D. J. Alexander by 8 votes. N. B. Barnett won for county attorney over P. F. Acree. Miss Lucille Grogan will have 600 majority for school superintendent over Luke Langston. Rogers won for assessor, and Wert Anderson for jailer. Joe Lancaster beat John Matheny for circuit clerk.

All the candidates nominated were supported by the law and order element. Holland for sheriff, was handicapped because a strong candidate of his own faction opposed him.

## Men's Stylish Black Suits .. \$25

A MAN'S wardrobe is never complete without a handsome black suit, and certainly not this season without one of these new, ditty, stylish, and yet conservative black suits that we have just received. The coat has the new style long roll collar, with the edge neatly braided, and the new envelope pocket. Trousers are full p-g-leg with lap-over seam, and the workmanship is unequalled in any thirty dollar garment you can find.
